DIRECTOR'S NOTE

To many this is a simple holiday show. To me, it is so much more. I am overjoyed to be with George, Mary, Uncle Billy and the wonderful people of Bedford Falls again. Something about this show brings young actors back each time and watching them grow-up through the different roles is what makes it special to me. We were so excited with the talent that was available to us in this cast. We tried to give people the experience of multiple characters, SFX, and for the older actors, invited them to go deeper and explore their characters on new, exciting levels. We hope that in these few short weeks everyone learned something new about theatre, made or strengthened friendships, explored new facets of this show, and mostly, created some wonderful memories. Remember, we can all make a difference in someone else's life.

Hee haw and Happy Holidays!
 — Julie Kiser
