DIRECTOR'S NOTE

"If there's one thing you can say about mankind, there's nothing kind about man."
- Tom Waits

Thank you one and all for joining us this evening. Here we'll listen to a tale that proves once again that old treachery is always met by new treachery. It can not be washed away in the rain. In fact, the perfect storm can only promise one thing: Lightning will always be followed by thunder.

-Ben Brawner
