

DIRECTORS' NOTE

I have always loved this show because it is extremely accessible and incredibly funny. My very first experience with Limelight was Assistant Directing this show in 2003, so it holds a very special place in my heart. Rehearsals for this incarnation have brought back many fond memories and created a slew of new ones. This cast is filled with some of the most fearless, smart, and silly actors I have ever had the pleasure to work with. They have each had moments where they stole the show and left me in a fit of giggles. I hope you enjoy watching this show as much as we enjoyed creating it.
