7:00PM • Oswego High School • \$10 Adults | \$7 Students/Seniors

This Jazz age musical features one show-stopping song and dance number after another. With the houselights down, a man in a chair appears on stage and puts on his favorite record: the cast recording of a fictitious 1928 musical. The recording comes to life before our eyes in the man in the chair's humble abode.

DIRECTOR'S NOTE

What a wonderful experience this show has been! These talented actors have taken familiar characters in very new directions, and we are so proud of what they have achieved. Having been a part of the Limelight family for many years, one of my favorite aspects of the community is watching participants grow and change and figure out life.

Our story of Alice, based on Lewis Carroll's timeless characters, ventures into the world of circus and the 1930's of midwest America, watching a poor farm girl do just that. Grow up. Alice, like so many of this show's actors, are finding themselves at different points in their lives where difficult choices take them one step closer to adulthood. Many of us who have already gone through this process can relate back to these challenging times, and perhaps concede that we are never really done growing. (I know that I'm certainly not!)

Growing up can be chaotic, confusing, and wonderful. That is what we have tried to capture in our show. Life is riddled with trapezes, clown cannons, and pies getting thrown in your face, but it's in how we walk that tightrope between life's events that shows our character and determines who we become.

Jacob and I thank you for coming with us on this journey, and we hope that you enjoy your stop at the Tweedle Bros. Circus Spectacular!
