Upcoming Limelight Classes

Out Spoken Age: 12 and up Sun March 16-Apr 27 3:00-4:30pm
Participants will explore spoken word poetry through professional work, as well as our own, that seeks to stand up for morals and beliefs. Over the course of six weeks we will improve our speaking abilities, write original, performative poems, and present these poems at the final class in a performance open to the public.

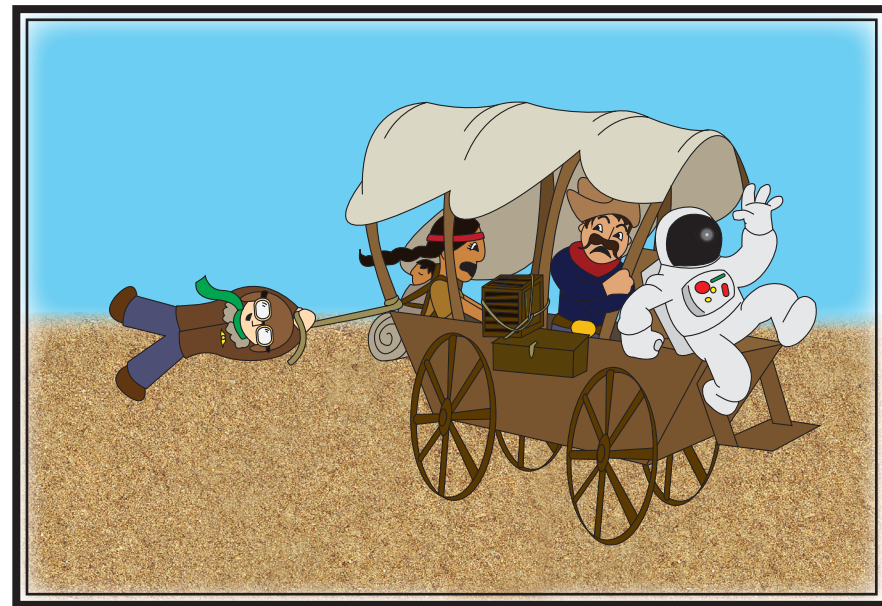

Feature Writing Age: 12 and up Sun Apr 6-Apr 20 4:30-7:30pm
Each participant will work collectively with the instructor and the other participants to expand the basic premise of a short sketch from a previous Limelight production, Send in the Clowns, into a feature length show. Skills practice and instruction will include: story analysis, building dramatic structure, creating effective dialogue, establishing tone, and visualizing the story's finished product on the stage.
