LIMELIGHT'S 2016 SEASON CONTINUES:

July 15 & 16 at 6:00PM • July 16 & 17 at 2:00PM • Hudson Crossing Park • \$5 All

Set in the 1930s, the world of a young midwestern girl, Alice Parlier, turns upside down when the circus comes to town in this original adaptation of Lewis Carroll's *Alice in Wonderland*. Follow Alice through the looking glass as she confronts her own coming of age while a cast of kooky characters try to convince her to join the Tweedle Bros. Circus Spectacular. Bring your blanket for the best seat in the park and pack your picnic basket full of goodies.

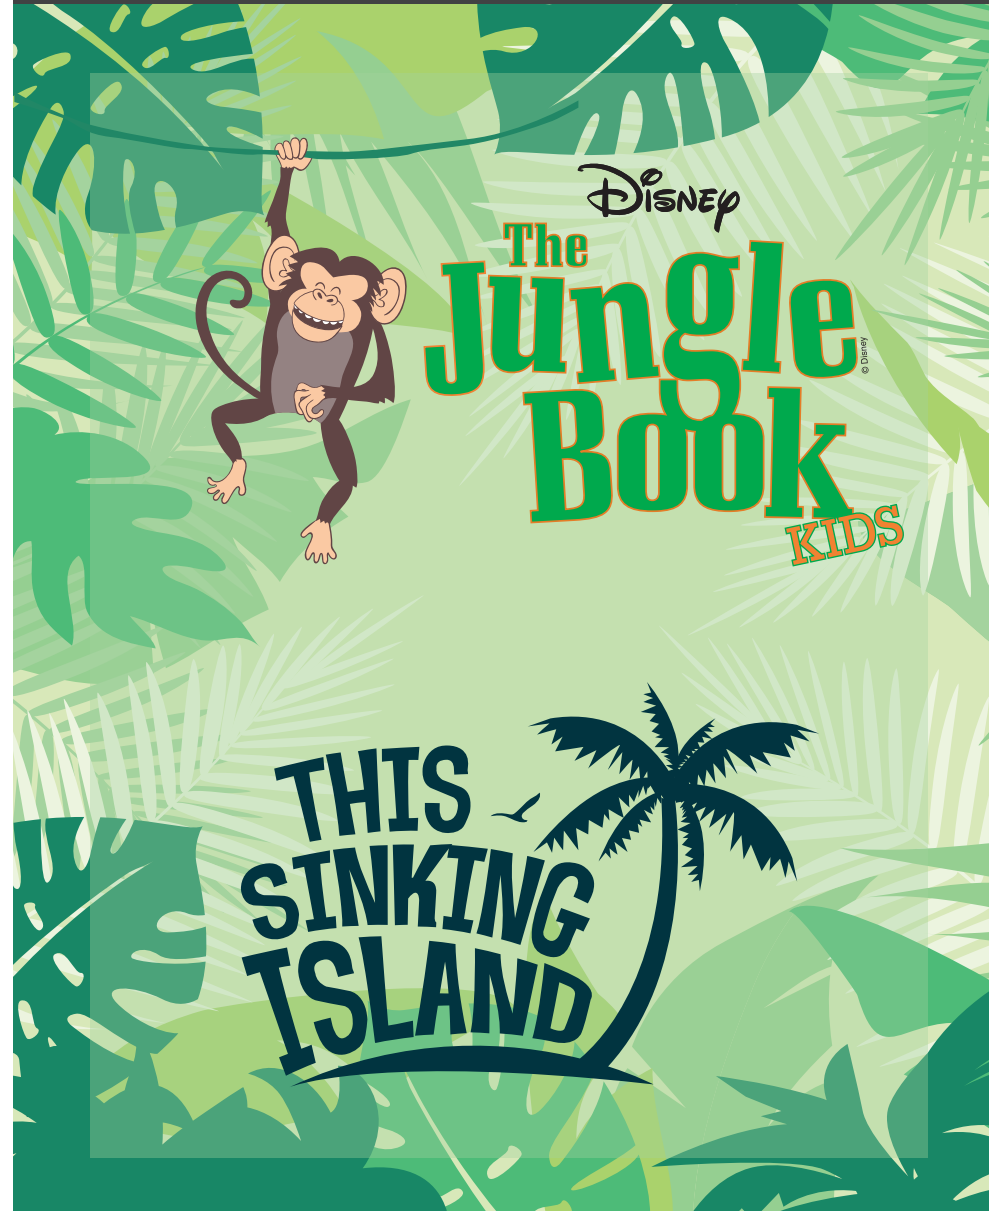

7:00PM • Oswego High School • \$10 Adults | \$7 Students/Seniors

This Jazz age musical features one show-stopping song and dance number after another. With the houselights down, a man in a chair appears on stage and puts on his favorite record: the cast recording of a fictitious 1928 musical. The recording comes to life before our eyes in the man in the chair's humble abode.

DIRECTORS' NOTE

From day one, *This Sinking Island* has been a fun and exciting experience. How can you not have fun working with pirates and explorers? The cast has been extremely enthusiastic, demonstrated a strong work ethic, and were a joy to see on stage. The Limelight Theatre Company focuses on educating young actors and actresses in being creative, open and sharing an artistic community with their peers. We also pride ourselves on offering the opportunity to share original works with our community. *This Sinking Island* is a great example of that effort as it was written by Limelighters who started off much like your young actors today.

This Sinking Island has a moral at its center. As the cast explored the greed of the characters and the affect it had on our Island, we were also able to discuss the environmental subtext of the show and how it relates to our world today. If we do not preserve and protect our natural resources and our environment continues to crumble, we may all be living on a sinking island.

We hope you enjoy *This Sinking Island* and its premiere. This cast has worked very hard in making it. It was a pleasure guiding them. It belongs to them now as they bring it to life for you.

Thank you,

Julie Kiser and Anthony Ortiz
