# THE TROUBLE WITH HARRY

SEP 26

It's Alfred Hitchcock's comedy about a fellow named Harry whose got himself into a bit of a tight spot - that's right, he's dead! The residents of a small town try to find out what happened to poor Harry, all the while staying one step ahead of the authorities in this wry laughter.

# THE CABINET OF DR. CALIGARI

OCT 24

Horror abounds in this original adaptation of the 1918 silent German film that travels deep into the cesses of the human mind. A doctor at a Berlin mental asylum tries to get to teh bottom of a series of mysterious abductions, but the truth is more shocking than he could ever have imagined.

# THE APOCALYPSE WILL BE MINE

NOV 28

In this epic conclusion to Limelight's original spaghetti western trilogy, The Ghost finds himself in a border dispute among Mexican freedom fighters, military police, and an army of private detectives, as each fights for control of a valuable silver mine.
