Director's Note

Please allow us to take you on a journey to a place where heroes truly do exist. Imagine turning the page of a comic book and feeling the excitement of reading about a new adventure. This play is that comic book. Created by the talented minds of Brian Brems, Anthony Ortiz, and Ben Colwell, Peacemakers' heroic tale is one full of ideals, courage, and sacrifice.

I would like to personally thank everyone who helped make this play a reality, from the writing team, to the parents, and of course to the hard work and dedication of the cast members. All of this would not be possible if it wasn't for their determination to make a project like this come to life on stage. Thanks for coming and enjoy the show!

-Edward Perry
