## DIRECTORS' NOTE

Hello and welcome to The Limelight Theatre's The Invisible Man. I have had many roles over the years at Limelight but I believe this is my first time officially directing a show and I couldn't be more excited. We wanted to keep it timeless, a little humorous, and throw in some b-grade science fiction movie themes. I truly hope you enjoy it. Thank you to Cori Veverka, Julie Kiser, Brian Brems, and Mike Arney for the encouragement and dealing with my endless questions.

And a special thank you to the OG, Brian Fauth. For teaching me the most important rule in the theatre, "Walking with purpose."

Liz Arney
