## DIRECTORS' NOTE

Dive into the vibrant and mischievous world of “Descendants,” where the children of infamous Disney villains embark on their own spellbinding adventure! This dazzling musical unfolds in the idyllic kingdom of Auradon, where the offspring of Maleficent, the Evil Queen, Jafar, and Cruella De Vil receive an unprecedented chance at redemption. Challenged to attend Auradon Prep, these Villain Kids face a daunting choice: follow in their parents’ nefarious footsteps or forge a new path and prove everyone deserves a second chance.

As they navigate the trials of high school, friendships, and budding romances, “Descendants” delivers show-stopping numbers and an electrifying story about identity, acceptance, and the power of choice. With a dynamic score that blends pop and rock, and a book that captures the heart and humor of the beloved film, this production is a celebration of youth and the transformative power of kindness.

At its core, Descendants is a musical about empathy, tolerance, and acceptance. We hope this show can be a reminder that, no matter where we come from, we are better together. A show about relationships between mothers and daughters, best friends, fathers and sons, neighbors, peers, and of course, your relationship with yourself.

If this is your first time visiting with us or your 100th, we want each of you to know that your support of the Arts in Limelight Theatre is greatly appreciated by us! Special thanks to everyone who made this production the beautiful piece that it is. Thanks to all of those who devoted countless hours to help make this show what it is. “Wherever you stand out the most may be where you’re supposed to be!”
